I. Purpose of Special Meeting

- a. Regions Bank Presentation - Annie Spradlin and Tiffany Lockett with Regions Bank Commercial Banking gave an overview of the services that Regions Bank offers for government agencies to include checking, savings, Purchase Cards, Treasurer Services and digital check signing services. Annie ensured the board that the accounts would be listed as public funds accounts and we would assign a dedicated team to handle our account. All Banking documents can be handled electronic vs having to go to a bank to sign documents so the board members can remain separate.

II. Board Members' Comments

- a. Treasurer Engel ask several questions on how their online banking works, how their merchant services work in case we needed them in the future and how the digital online check payment worked.
- b. Chairman Odom ask question concerning the accounts being set up correctly, how money market accounts work and what the fees that the district would incur under their proposal. Fees would be \$30.00 per month, Per transaction Check .12 each, ACH .04 Each, not to exceed \$150.00 per month. Regions will send a list of fees before the next meeting
